

	Name: Piotr Derugo
	Contact Phone: +48 71 320 28 72
	E-Mail: piotr.derugo@pwr.edu.pl
	Faculty: Faculty of Electrical Engineering

Qualification:	PhD. Eng.
Note: Work Experience & Area of Research Interest:	<p>Ph.D. in technical sciences in the field of Automatic Control and Robotics. Currently employed at the Department of Electrical Machines, Drives and Measurements at the Faculty of Electrical Engineering of the Wrocław University of Technology.</p> <p>Research interests: Adaptive systems, Fuzzy controllers, Control of electric drives</p> <p>Teaching: microprocessor technology, Matlab, electric drives, electrical and Industrial measurement measurements, basics of electronics, PLC controllers</p>
