

## **Yash Chawla**

Trainer, Academician, Researcher

Wroclaw University of Science & Technology

---

A young, dynamic and candid intrapreneur who has excelled, in the field of academics, skill development and social media communications. He has trained over 75,000 students, professionals & teachers on various topics, such as Design Thinking, Innovation, Creativity and Social Media Branding.

He is a double graduate with Honors in Bachelor of Technology (Mechanical Engineering) & Bachelor of Computer Applications and a double postgraduate with Master of Technology (Renewable Energy Technology) & MBA (International Business). Currently he is working as an academic teaching and pursuing research on “Communications” at Wroclaw University of Science & Technology. He has been awarded several times as a young teacher, trainer, as a guide to students and also for taking up initiatives for social causes. He has been elected as a National Council Member, twice, at Indian Society for Training & Development, which had made him the youngest ever NC member in ISTD’s history since its inception in 1970. While working at universities in India, he has been instrumental towards establishment of Entrepreneurship Development Cells, Students Council and International Relations Cells

Yash, has delivered training programs, seminars, guest talks, keynote addresses, research talks, at several reputed corporates & universities across Europe, UK, South Asia and the Middle East. He is an active member of the course for teacher on Education for Sustainable development, under the Baltic University Programme, of which Designing Thinking is one of the key processes being utilized.

He loves travelling, public speaking, interacting with people worldwide, art and graphic designing. He is toastmaster and associated with the globally renowned organization, International Toastmasters, as a member and has been recently chosen to be a part of the Public Relations Team of Toastmasters District 108 which covers Poland, Finland, Lithuania, Latvia and Estonia. He also serves as the Vice President of Education, for Wroclove Speakers club which is under the aegis of Toastmasters International.
