

Name: Pawel Knapkiewicz

Contact Phone:+48 71 320 48 12

E-Mail: pawel.knapkiewicz@pwr.edu.pl

Faculty: Microsystem Electronics and Photonics

Qualification:	PhD. Eng.
Work Experience:	Pawel Knapkiewicz have got his Ph.D. at 2008. After that, employed at the Wroclaw University of Science and Technology. Hi participated in several international research projects, including two as a project leader. An excellent teacher, creator and leader of didactic courses "Microsystems" and "Microsystems in the automotive industry".
Area of Research Interest:	Microfluidical systems: microreactors, flow-through optical sensors, MEMS alkali vapor cells technology, alkali vapor spectroscopy, silicon and glass technology, non-standard anodic bonding techniques, sensors, sensors networks, multi-parametrical measurements, electronics
