

	Name: Olga Rac-Rumijowska
	Contact Phone: 71 320 49 41
	E-Mail: olga.rac-rumijowska@pwr.edu.pl
	Faculty of Microsystem Electronics and Photonics

Qualification:	PhD. Eng.
Work Experience:	<ul style="list-style-type: none"> <li>- Synthesis and characterization of metal and metal oxide nanoparticles</li> <li>- Chemical gas sensor doping with gold, silver and platinum nanoparticles</li> <li>- Analysis of structural and electrical properties of nanocomposite polymer fibers</li> <li>- Textile modification for antibacterial and piezoelectric properties</li> </ul>
Area of Research Interest:	<ul style="list-style-type: none"> <li>- Chemical resistive sensors</li> <li>- Nanomaterials</li> <li>- Nanocomposites</li> <li>- Electrically conductive polymer composites</li> <li>- Textronics</li> </ul>
